

# So you'd like to volunteer or intern at REST?

## Some basics:

- Work alongside REST faculty to help maintain the buildings and grounds, assist with the care of the various patients and permanent resident animals, assist with guest tours, and gain a unique experience that you'll carry with you forever
- A ride will be provided to town at least once a week for internet access & shopping
- One day off a week

## The Amenities:

- Safari tents on site; 2 students per tent (single occupancy available if paying double)
- Communal centre with 2 showers, 2 toilets, an open plan kitchen, living room, and dining room
- We are hoping to install a SMALL refrigerator in the kitchen soon, but we suggest non-perishable food
- Hot water & flushing toilets
- Live on REST property

## What You Must Provide Yourself:

- Airfare if needed
- Transportation to Outjo (Mainliner Bus, Taxi, etc) - REST will fetch from town
  - OR, REST can fetch you from Otjiwarongo for N\$400 per trip
- Food
- Toiletries
- Phone plan

## Price\*:

- \$150 USD per week
- OR \$550 USD per month
- Namibian residents are given ½ off accommodations

Does this sound like something you'd like to do? If so, please email [restvolunteers@gmail.com](mailto:restvolunteers@gmail.com) with a cover letter, copy of your resume, and the dates you ideally would like to come for!
