

# So you'd like to volunteer or intern at REST?

## Some basics:

- Work alongside REST faculty to help maintain the buildings and grounds, assist with the care of the various patients and permanent resident animals, assist with guest tours, and gain a unique experience that you'll carry with you forever
- A ride will be provided to town at least once a week for shopping
- WiFi is available at the centre, but not up at student housing
- One day off a week

## The Amenities:

- Tents & cement rooms on site; 2 volunteers per room (single occupancy available if paying double)
- Communal centre with 2 showers, 2 toilets, an open plan kitchen, living room, and dining room
- Hot water & flushing toilets
- Live on REST property
- Roughly 10 minute walk from housing to REST centre

## What You Must Provide Yourself:

- Airfare if needed
- Transportation to REST (we will pick you up for a fee)
- Food
- Toiletries
- Laundry detergent (hand-wash basin available), dish soap, hand soap
- Work Visa
- Phone plan if you want one

## Price\*:

- \$150 USD per week
- Namibian residents are given ½ off accommodations

\*Full payment must be received prior to arrival. Liability waiver must be filled out and returned prior to arrival. We cannot accommodate refunds.
